## PROJECTS

### Project 1

- 
- 

### Project 2

- 
- 

### Project 3

- 
- 

## SKILLS

Ruby

Rails

Javascript

jQuery

HTML

CSS

## EDUCATION

### App Academy - Acceptance Rate < 3%

- Rigorous 1000-hour full stack development bootcamp emphasizing Rails, React, SQL, JS, TDD, algorithms and development best practices.

Sep-Dec 2016

### Nyack College - Jazz Drum Performance

- Began as one of the less skilled drummers and finished on par with the best by the end of the year by practicing 10-14 hours a day.
- Withdrew to work with a NGO in the inner city of San Francisco.

2012 - 2013

## EXPERIENCE

### San Francisco City Impact

- Led and mobilized hundreds of volunteers and supporters for several annual events and fundraisers.
- Helped oversee the music department and re-designed the training program, increasing scalability and performance ability by 70%.

2013 - 2016

### Freelancer

- Taught myself web development while working various part-time and full-time jobs.

2015 - 2016
